

Etihad Museum

Sensory Rating Sheet™

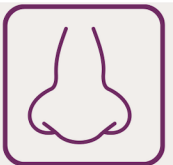

Overall there is limited visual input.

The Museum itself is very quiet. There is one walkthrough section that has some complex & overlapping sounds

Decibel Level: mild

No strong scents.

Other Information:

This experience takes about an hour to complete.

People of Determination (Disabled) do not have to pay admission.

This is an interactive experience but you can avoid touching anything you prefer not to. Most interactive media is a digital screen

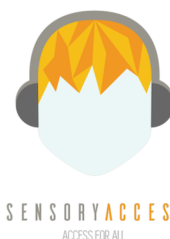

Jumeira St. Cross of 2nd
December St.

etihadmuseum.dubaiculture.gov

It is pleasantly cool inside
